## **Oakbrook Mission Statement**

Our mission is to enhance the quality of life through management of common areas, enforcement of the covenants and rules, and support of initiatives that strengthen the bond among residents.

## **Oakbrook Vision Statement**

We envision a community of neighbors working together through a voluntary association to achieve a higher quality of life and increased property values. Our intention is a neighborhood that is desirable by residents and non-residents as a place to live and enjoy family, friends, and community.

# **Covenant Committee Update**

- We sent a total of 18 letters to residents this year
  - Of the 18 letters, 6 were second letters to an address that had received a letter for verified concerns
  - We did have 6 more concerns handled via "personal visits" by members of the HOA Board
  - We ask that all residents are familiar with the Covenants
  - No addresses went to legal action
  - Note: Taking legal action is alway going to be last resort only after all other attempt to ask for compliance have failed - It is our obligation to assure covenants are followed.

Want to thank the residents for being familiar with the Covenants as approved by the Homeowners, and all residents for getting proper approvals and permits for the many projects completed this year! (We did have at least one address that got a "Cease Order" for not following "City of Littleton" permitting requirements.)

Our communications with homeowners have been great - thank you to the residents of Oakbrook, Covenant Committee Volunteers and HOA Board members who help us to monitor our Oakbrook subdivision, making it the most desirable area to call home in Littleton.

- FY 2023 Projected Revenue = \$6000
- Budget proposal difference areas:
  - Bank Fees
  - Insurance (Errors and Omissions Liability only)
    - Looked into carrying General Liability insurance, but cost was \$7000 per year
    - Next year we will eliminate the Facilities Rentals category.
  - P.O. Box Rental
    - Cost \$182 in 2022
  - State Fees have also been increasing
  - Website Security and Flexibility cost more money (\$136 in 2022)
- So far we have not spent our entire budget in a calendar year. Hopefully that continues to be the case for 2023. (2021 +\$500, 2022 +\$0 but not negative)
- Hopefully getting back into some social activities after our "Covid hangover" will galvanized the neighborhood and increase our dues participation rate and revenue collection.
